For immediate release:

Cherokee County, Iowa- The Cherokee County Board of Supervisors have announced the reopening of the Cherokee County Courthouse to the general public beginning at 8:00am on Monday, June 15.

The public entrances on the upper level will be accessible. Masks will be available to visitors, but not required.

Public access locations will be monitored to limit the number of visitors allowed in the common areas of the Courthouse. Large groups waiting for services will be asked to social distance to the point of waiting outdoors, should numbers merit. For that reason, the public is strongly encouraged to continue to use online services, drop boxes, or alternative methods to do business with the County offices.

Driver's Licensing operations will be open **by appointment only** and can be contacted at **712-225-2770**.

Passport operations will continue **by appointment only**, but expect significantly delays at the State level. The Recorder's Office can be reached at **712-225-6735**.

Courthouse hours are from 8:00am-4:30pm Monday through Friday.
